Based on 2019 Federal Poverty Guideline
(Revised 01/08/19)

Example: Family with four dependents and total gross earnings of \$3,700/month

- A. Hospital bill - \$8,000 : Family pays \$2,400.00
(Lower of \$8,000 X 40% = \$3,200 **OR** \$2,400) Any bill over \$6,000 would pay only \$2,400 maximum
- B. Hospital bill - \$1,000 : Family pays \$400
(Lower of \$1,000 X 40% = \$400 **OR** \$2,400)

Example: Family with three dependents and total gross earnings of \$2,520/month
Hospital bill - balance adjusted off
