**II. New Business**

- Architect Update – ZGF Architects shared a presentation on the replacement facility to show different options, layout of the facility, road options and parking. They explained possible placement options of the hospital on the new site. Questions around the possibility of a slide were brought up, they voiced how very confident they were there would not be a slide.
- Project Manager Update (The Healthcare Collaborative Group) – Joe Kunkel shared a presentation on the replacement facility project overview. It included the site plan and schematic layout, anticipated costs, construction, all in and contingencies, etc. Shared information from the new hospital built in Quincy, WA, to show market comparison.
- Kimberly Polanco, CFO shared for discussion purposes only, options regarding the current annual interest rate now and what a loan would look like now if we were to start the process this week.

**III. Adjournment:** With no further business, the meeting was adjourned at 7:02 pm.
